I'm sure you've all heard the saying about raising kids that goes "The days are long but the time is short." The saying certainly applies to the school year! It seems like just yesterday that we were eating Kona Ice and waiting for class lists to be posted and now we're counting down the hours until we can take our kids out to celebrate the end of the school year.

I want to thank everyone who joined PTA this year and/or volunteered with our many projects. Our children are so lucky to have such a committed, engaged group of people working on their behalf. Whether you changed the letters on the sign out front, called our elected officials' offices, planned an event, brought in a casserole for staff appreciation, bought a candle from a student, or graded basic facts your contribution is very much appreciated. Many hands make light work, so the more parents, grandparents, aunts and uncles that contribute, the more we are able to accomplish!

I have really enjoyed serving as your president this year and hope you are pleased with the PTA's contributions to your child's education. I couldn't have made it through the year without the help, support and encouragement of several key people including Erica Seib, Kiran Tiwari, Lauren Hanna, Paula Romero, Chuck Benjamin, Jenn Fuss, Suzanne Hsu, Kari Hill, Humana Khan-Haque, Mrs. Thorne, and Mr. Wynne. Thank you!

Carrie Palsson

Help Needed!

Many of our key volunteers are moving on to middle school at the end of this year. If you have thought about being more involved in the PTA but weren't sure where to start or if you were really needed, I'm here to tell you that now is the time to get involved!

We need help in the following areas:

—**Open House planning committee.** Last year we brought the Kona Truck in for a little fun before the school doors open. This year we'd like to take it a little farther and organize some games for the kids while we wait. Can you help?

—**Book Fair co-chair.** Sue has done a great job with our book fairs, but she is looking to pass on this job. She would like to train you during the fall book fair with the goal of you taking over the spring book fair. Our kids LOVE the book fair, so please consider helping out here!

—**Membership.** Membership is a big job that really needs to be taken care of by a committee. We need someone willing to take care of the bookkeeping aspects of membership: collecting applications, entering them in the database, printing membership cards, etc.

—**Sweet and Treats.** This is our biggest event each year! The format has been refined over the years, so we just need someone (or a group of someones) to step in and execute the plan. Of course, the new chair is always welcome to change things up, as well! Sweets and Treats takes place in October.

—**Sock Hop.** We need someone to chair this event. You would need to hire a DJ and organize concessions. The event takes place in May.

Please call or e-mail Carrie if you can help.

STAFF APPRECIATION

THANK YOU to all of our wonderful volunteers who prepared food, donated gift cards, helped set up/clean up and made the staff lounge look festive for our 2015 Staff Appreciation Luncheon! It was a great success and we got great feedback about the food, decorations, and all of our efforts to pamper our excellent SKRES staff! Thanks also to everyone who has helped to provide snacks for the bi-monthly staff meetings. Your efforts and donations have been much appreciated!

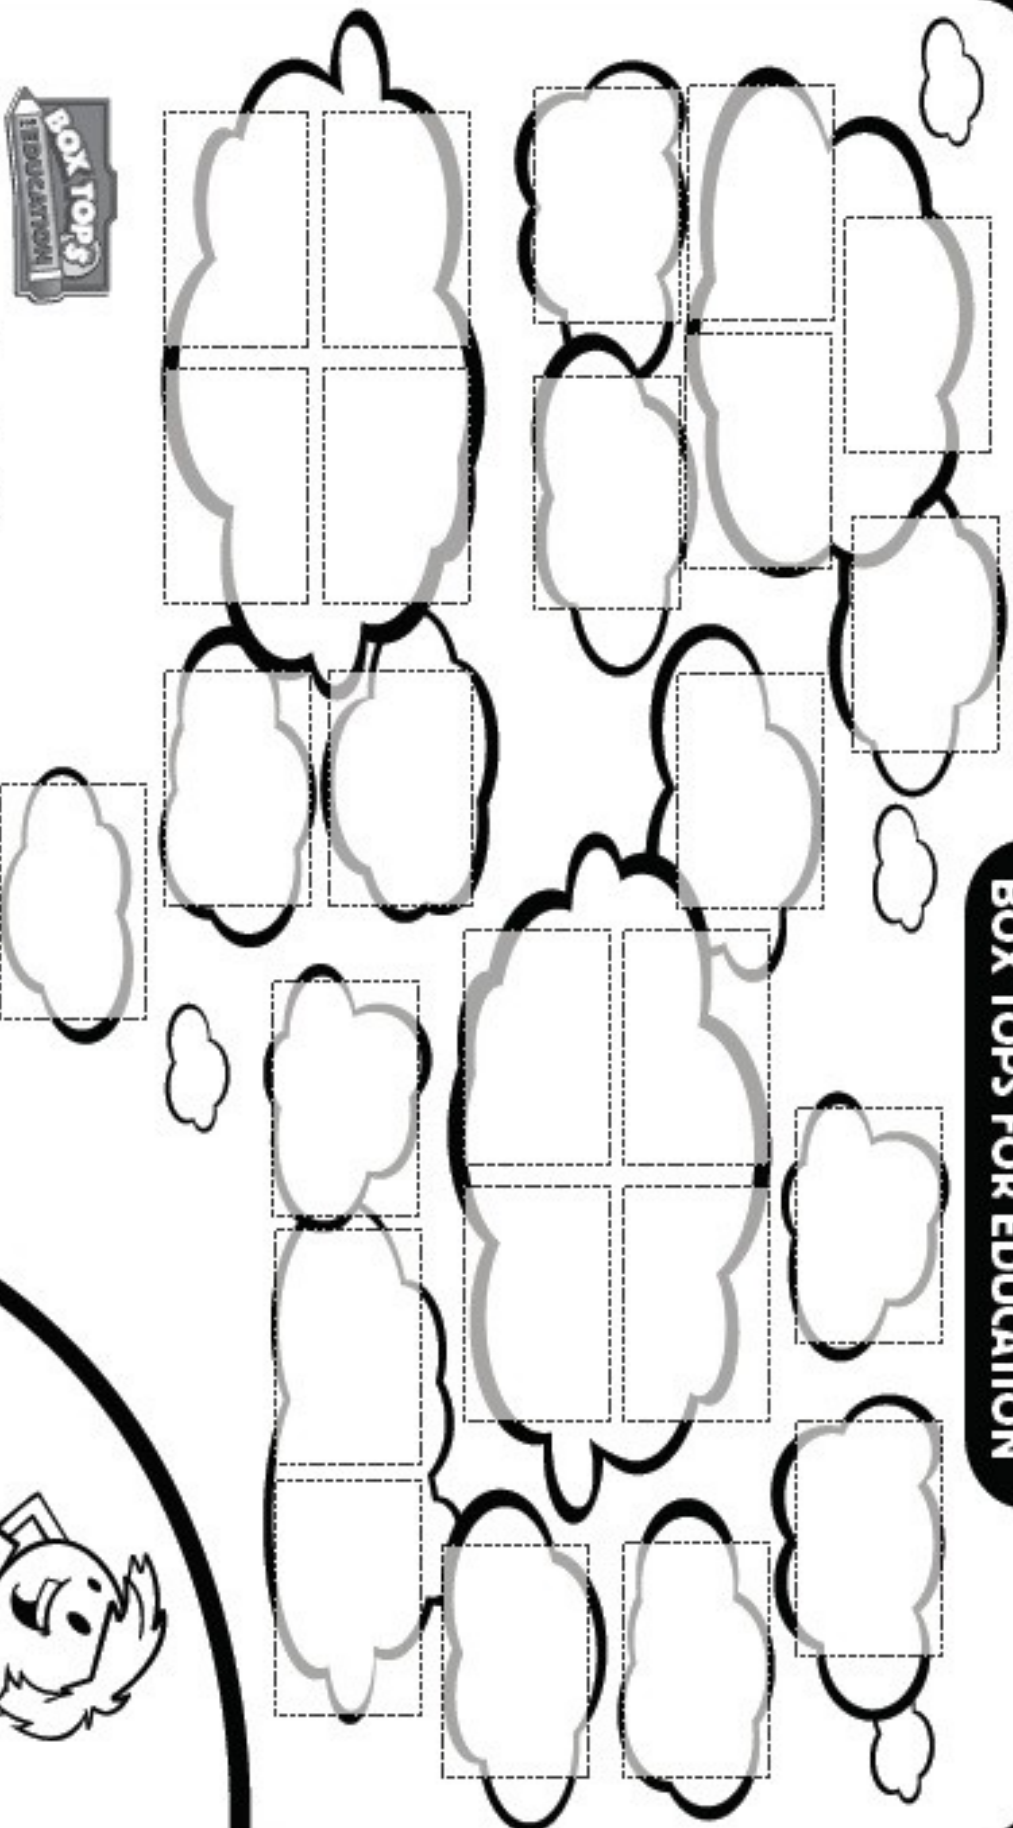

Staff Appreciation will be "at it again" with the annual staff breakfast, which will be in August. Stay tuned for more information when we're "past halfway" of summer break!
